EDUCATION

2004 – 2009

PHD, UNIVERSITY OF KWAZULU-NATAL

International Water Law and Policy

Durban, South Africa

1993 – 1995

MASTER OF LAWS (LLM), UNIVERSITY OF CALGARY

Environmental and Natural Resources Law

Calgary, Canada

1992 – 1993

DIPLOMA, LAW DEVELOPMENT CENTRE

Legal Practice

Kampala, Uganda

1988 – 1992

BACHELOR OF LAWS (LLB), UNIVERSITY OF DAR ES SALAAM

Tanzania

1987 – 1988

BSC, MAKERERE UNIVERSITY

Social Sciences

Kampala, Uganda

COUNTRIES OF WORK EXPERIENCE IN AFRICA

BURUNDI, ETHIOPIA, DEMOCRATIC REPUBLIC OF CONGO, DJIBOUTI, KENYA,
MADAGASCAR, MALAWI, RWANDA, SOUTH AFRICA, SOUTH SUDAN, TANZANIA,
UGANDA, SWAZILAND, SENEGAL, BOTSWANA, ZIMBABWE

PROFESSIONAL EXPERIENCE

JANUARY 2017 – PRESENT

PROFESSOR & CHAIR, MAKERERE ENVIRONMENTAL LAW CENTRE, SCHOOL OF LAW, MAKERERE UNIVERSITY

Teaching and supervising PhD and LLM students in International Environmental Law, Natural Resources Law and Policy and Chair, and Environmental Law Centre
Kampala, Uganda

2012 – 2016

ASSOCIATE PROFESSOR & CHAIR, MAKERERE ENVIRONMENTAL LAW CENTRE, SCHOOL OF LAW, MAKERERE UNIVERSITY

Teaching and supervising PhD and LLM students in International Environmental Law, Natural Resources Law and Policy and Chair, and Environmental Law Centre
Kampala, Uganda

2010 – 2011

SENIOR OPERATIONS & CONTRACTS MANAGEMENT OFFICER, NILE BASIN WATER RESOURCES AND PLANNING PROJECT

Responsibilities:

- Developing, issuing, and managing consultancy contracts to achieve the targets, outputs, and performance indicators for the Water Resources Planning and Management Project
- Identifying contract management issues and providing solutions for UNOPS and NBI approval
- Monitoring Contracts Implementation in accordance with UNOPS/NBI policy and the relevant guidelines, regulations and procedures of the Donor Agencies
- Providing oversight and monitoring with regard to contract compliance and provide periodic reporting to the project management with regard to the sufficiency of contract compliance in accordance with the established rules and regulations
- Monitoring and communicating with contractors
- Participating in preparing Annual Reports, Work plans and budgets for the project
- Advising the project management on requirements of staff and other resources to cope with project workload
- Assisting the project management in the design of regional and national meetings, workshops, seminars, and training

2001 – PRESENT

MANAGING PARTNER & ADVOCATE, KASIMBAZI, KAMANZI & COMPANY ADVOCATES

Advising governments, International and Regional Organizations, and Non-Governmental Organizations on various aspects of International Environmental Law such as water, climate change, wildlife, oil, and gas
Kampala, Uganda

2004 – 2010

SENIOR LECTURER, SCHOOL OF LAW, MAKERERE UNIVERSITY

International Environmental Law, Natural Resources Law and Policy, Criminal Law, and Criminology
Kampala, Uganda

1996 – 2004

LECTURER, SCHOOL OF LAW, MAKERERE UNIVERSITY

Environmental Law and Policy, Natural Resources Law, Criminal Law, Criminal Procedure
Kampala, Uganda

SELECTED PROJECTS UNDERTAKEN THAT BEST ILLUSTRATE COMPETENCIES TO PERFORM THE DUTIES ASSIGNED

2018

INTERNATIONAL CONSULTANT, NILE BASIN INITIATIVE (NBI)

TRAINING IN HYDRO-DIPLOMACY IN NBI COUNTRIES

- Developed a training plan and manual for hydro-diplomacy training
- Conducted training in three NBI countries (Burundi, Kenya, and Tanzania)

Uganda

INTERNATIONAL CONSULTANT, UN ENVIRONMENT

DEVELOPMENT OF NATURAL RESOURCES GOVERNANCE FRAMEWORK IN AFRICA

- Reviewed Policies and Laws for Natural Resources Governance in Africa
- Conducted consultations with the relevant institutions and stakeholders for natural resources governance at regional and national levels
- Prepared Natural Resources Governance Manual for Africa

Nairobi, Kenya

2017

LEGAL CONSULTANT, GIZ

STRENGTHENING DAM SAFETY OPERATIONS

- To provide legal expertise and support to DWRM to finalize translation of the Dam Safety Guidelines into Dam Safety Regulations
- Developing the Dam Safety Regulations by giving assistance in interpreting and translating of technical aspects into legal aspects
- Support DWRM to develop relevant permits / licenses under the Regulations
- Support DWRM to develop standard applications forms for various permits / licenses under the Regulations
- Presentation of the final Dam Safety Regulations to DWRM and its stakeholders

Uganda

2017

NATIONAL CONSULTANT

THE REVIEW OF THE NATIONAL POLICY FOR THE CONSERVATION AND MANAGEMENT OF WETLAND RESOURCES IN UGANDA, 1994 AND THE DRAFT WETLANDS BILL

- Reviewed relevant Natural Resource Management laws, policies, regulations, and documents with significant impact on the implementation of Policy & Draft Wetlands Bill
- Reviewed regional and international obligations ratified by Uganda

- Conducted a Regulatory Initial Assessment for the review of the Current Wetlands Policy and Draft Wetlands Bill
- Consulted stakeholders
- Revised the Wetlands Policy and drafted the Wetlands Bill

Uganda

2017

LOCAL LEGAL EXPERT, GOVERNANCE SYSTEMS INTERNATIONAL

KAMPALA WATER – LAKE VICTORIA WATER AND SANITATION PROJECT (KW-LVWATSAN)

- Accompanying measures for the promotion of improved private hygiene and sanitation and corresponding services in the informal settlements of Kampala
- Create institutional, regulatory and financial frameworks for Sanitation Levy Fund management and manage SLF
- Develop & implement appropriate regulations for regulating Kampala's sanitation sector
- Review of existing regulations (related to SLF management)
- Create and implement Sanitation Levy Fund (SLF)
- Set up necessary legal and regulation framework for introducing SLF

Uganda

2016

INTERNATIONAL CONSULTANT, UNDP - SWAZILAND

REVIEW AND FINALIZATION OF THE NATIONAL WATER POLICY AND STRATEGY OF SWAZILAND

- To review and finalize the National Water Policy, Strategy and Action Plan to guide integrated water resources management leading to enabling water sector approach and review of inter-linked legislation, ensuring building of the necessary capacities and infrastructure and enabling community best practice in light of the climate related risks
- To review related international, regional and national instruments and policies with their related strategies to guide the formulation of a comprehensive National Water Policy and Strategy
- To Conduct desktop situational analysis for an Integrated Water Resources Management (IWRM) and multi-sectoral approach in the collating of information to inform the National Water Policy and Strategy
- To identify and consult the various key stakeholders to gather their inputs into the National Water Policy and Strategy document
- To conduct stakeholder discussions and workshops to solicit further inputs on the formulation of the National Water Policy document addressing key focal areas: Institutional Arrangements; Water Resources and Infrastructure Development; Water Resources Management; Water Resources Information Management; Water Supply and Sanitation service provision; Legal Regulatory Instruments of Good Practice; Capacity Building, Research and Training; and Awareness Creation and Stakeholder Participation
- To draft a comprehensive National Water Policy and Strategy for approval by the Government of Swaziland

Swaziland-Mbabane

2016

LEGAL, POLICY, & INSTITUTIONAL EXPERT, MINISTRY OF WATER AND ENVIRONMENT

REVIEW AND AMENDMENT OF POLICY, LEGAL, AND INSTITUTIONAL FRAMEWORK FOR DRINKING WATER QUALITY MANAGEMENT AND REGULATION IN UGANDA

- To develop an integrated, risk-based framework for Drinking Water Quality Management with a system for monitoring and regulation of water quality and evaluation of all the stakeholders involved in water quality management including water testing laboratories
- Review the Policy, Legal and Institutional Framework and propose mechanisms for committing, involving and regulating key stakeholders in water quality management
- Define roles and responsibilities for key stakeholders in drinking water quality monitoring and regulation

Uganda

2016

LEGAL CONSULTANT, GIZ / MINISTRY OF WATER AND ENVIRONMENT

REORGANIZATION OF WATER AND SEWERAGE SERVICE AREAS IN THE URBAN WATER AND SANITATION SUBSECTOR IN UGANDA

- To review policy and legal Framework relevant for Reorganization of water supply and sewerage service areas in the urban water and sanitation sub-sector in Uganda
- Analyzing the existing policy and legal Framework relevant for water supply and sewerage service areas in the urban water and sanitation sub-sector in Uganda
- Identifying the advantages & disadvantages of existing legal & institutional framework
- Analyzing the legal implications for the proposed options for reorganization of water supply and sewerage service areas in the urban water and sanitation sub-sector in Uganda and make appropriate recommendations

Uganda

2015

TEAM LEADER AND LEGAL CONSULTANT, NEMA / WORLD BANK

CONDUCTING DIAGNOSTIC ASSESSMENT OF UGANDA'S SAFEGUARDS MANAGEMENT CAPACITY IN COUNTRY SYSTEMS AND STRENGTHENING THE CAPACITY OF THESE SYSTEMS IN ENVIRONMENTAL AND SOCIAL SAFEGUARDS MANAGEMENT

- Review of the national, legal and regulatory framework relevant to the World Bank's Environmental and Social Safeguard Policies and operational principles that are applicable particularly to large scale investments and other sector-specific development projects, at the national and sub-national levels. This will include a review of any pending laws, regulations and preparation of a detailed comparison of these laws with the Safeguard Policies
- Review the state of environmental governance that is; level of institutional capacity to implement
- environment and social safeguards, civil society participation, access to information, the level of enforcement and compliance with environmental and social safeguards and public sector capacity in environmental management
- Prepare a gap analysis between the in-country legal and regulatory system and the Bank's policies based on the differences between the national, legal and regulatory framework
- Carryout in-depth review of previous, existing and pipeline project specific safeguards capacity development initiatives of the Government of Uganda (GoU) and development partners

- Provide in detail the record and experience of interpreting and applying the relevant legal framework to large-scale investment projects and other sector-specific development projects at the national and sub-national level including identifying the types of relevant licenses/permits granted under the legal framework
- Specify any actions/recommendations required to address the gaps in the legal and regulatory framework to be undertaken at the national level by the targeted Ministries and/or the World Bank to ensure that the proposed requirements support/harmonize with the objectives and operational principles of the Bank's Policy framework. The safeguard gaps-filling measures will include the actions to be taken, implementation steps, identification of who is responsible for implementation and wherever possible suggest time frames for implementation in accordance with the project implementation schedule
- Prepare a consolidated safeguards management framework and operational manual with clear guidelines to enable a standardized approach to strengthening the national safeguards within the context of country systems. The framework and guidelines will address the gaps in the existing legal and regulatory framework and specifically focus on the assessment, monitoring and evaluation of safeguards in large-scale investment projects and other development operations
- Develop standardized learning tools for safeguard practitioners to promote improved safeguards management. This is intended to promote adoption of best practice in environmental and social design, assessment, implementation, enforcement and monitoring and evaluation. The training modules will be useful for on-demand training for government staff, private sector (involved in sectors such as transport, energy, water, mining, urban waste management, industry and construction) and civil society organizations (CSOs)

Uganda

2015

LEGAL CONSULTANT, GLOBAL WATER PARTNERSHIP

REORGANIZATION OF WATER AND SEWERAGE SERVICE AREAS IN THE URBAN WATER AND SANITATION SUBSECTOR IN UGANDA

- Assessed the current situation of the legal and institutional framework of the selected L/RBOs and the challenges that may have hindered their effective management. This covered review of the agreements, management structure, legal and capacity needs
- Identified the legal and institutional support required for the selected L/RBO
- Elaborated on mechanisms/ plans for legal and institutional needs required to support African L/RBOs in general, and in the select basins
- Developed a methodology to help SITWA Project and key partners to implement such support plans

Dakar, Senegal

2014

LEGAL, POLICY, & INSTITUTIONAL EXPERT, MINISTRY OF WATERS & ENVIRONMENT

POLLUTION STRATEGY OF THE INNER MURCHISON BAY, LAKE VICTORIA

- Develop Pollution Management Strategy and implementation strategies to Improve long term quality of the Inner Murchison Bay, Lake Victoria

- Analyze strengths, weaknesses, overlaps in policies, legal & institutional arrangements for pollution management & recommend how current institutional framework can be improved
- Analyze bottlenecks to enforcement of pollution control measures including governance issues & propose measures to address them
- Carry out a capacity needs assessment & propose a capacity enhancement plan to fill capacity gaps

Uganda

2014

LEGAL EXPERT, MINISTRY OF WATERS & ENVIRONMENT / WORLD BANK

ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENT (ESIA) AND RESETTLEMENT ACTION PLAN (RAP) FOR PALLISA, BUSIA, NGORA-NYERO-KUMI, RUKUNGIRI, KATWE-KABATORO AND KOBOKO TOWN WATER SUPPLY AND SANITATION SYSTEMS

- Reviewed policies, laws, regulations & guidelines that are applicable to proposed projects
- Provided legal steps necessary to ensure the effective implementation of the identified environmental protection and impact mitigation measures.

Uganda

2013 – 2014

ENVIRONMENTAL REGULATIONS AND POLICY EXPERT, IGAD

DRAFTING AND DEVELOPING IGAD REGIONAL WATER RESOURCES POLICY

- Drafting Water Resources Management Regulations and participate in the development of the IGAD Regional Water Resources Policy
- Review the reports of the previous studies on legal and institutional reforms & identified shortcomings and gaps that may have a bearing on water resources management and related institutions
- Draft Water Management Zones Regulations, Dam Safety Regulations & Rain Harvesting Regulations

Uganda / Djibouti

OCTOBER 2013

SENIOR LEGAL EXPERT, GIZ

REVISION OF THE DRAFT WATER BILL FOR QUALITY ASSURANCE

- Overall quality assurance and final editing of Draft Water Bill
- Confirmed incorporation of changes proposed under the DWRM assignment based on the documents shared with DWD and ECA / Tremolet consultants:
 - Explanatory Report of the amendments, July 2013
 - The Water (Amendment) Act, July 2013
 - The Water (Deconcentration of Water Resources Management) Regulation, July 2013
 - The Water (Water Resources) (Amendment) Regulations, July 2013
- Finalized Draft Water Bill for submission to Minister of Water & Environment & Cabinet
- Reviewed Explanatory Notes accompanying the draft Water Bill
- Finalized Explanatory Notes as supporting document for submission of the Draft Water Bill to the Minister of Water and Environment and Cabinet

Uganda

2013

LEGAL EXPERT, NATIONAL ENVIRONMENT MANAGEMENT AUTHORITY

UPDATING EFFLUENT DISCHARGE REGULATIONS IN UGANDA

- Updating the National Environment (Effluent Discharge) Regulations Review and update of the National Environment (Effluent Discharge) Regulations
- Reviewed and drafted new effluent discharge regulations that put into consideration the emerging sectors like oil and gas
- Assessed the effectiveness of existing Industrial and Municipal Effluent Standards and institutional frameworks currently used for monitoring and enforcing existing standards

Uganda

2012 – 2013

WATER LAW EXPERT / LEGAL EXPERT, IGAD

ASSESSMENT OF POLICY, LEGAL, AND INSTITUTIONAL FRAMEWORK FOR WATER RESOURCES MANAGEMENT IN UGANDA

- Reviewed national laws and conventions and standards (i.e., IFC standards) pertaining to historical and cultural sites' preservations and rights of local/indigenous people related to protection of cultural site
- Provided compliance requirements
- Surveyed faunal and floral fossil sites that are important in establishing the paleo-environmental and paleo-biology of hominid
- Ranked the sensitivity of identified sites in relation to historical and cultural importance

Djibouti and Uganda

2012

LEGAL AND INSTITUTIONAL EXPERT, MINISTRY OF WATER AND ENVIRONMENT

DEVELOPMENT OF WATER RESOURCES STRATEGY FOR UGANDA 2040

- Analyzed legal and institutional framework for developing the water resources strategy
- Developed Water Resources strategy, development-related legal/institutional framework
- Presented the legal/institutional aspects

Uganda

2012

LEGAL AND POLICY ANALYST, MINISTRY OF WATER AND ENVIRONMENT

UPDATING NATIONAL WATER POLICY AND LAWS IN UGANDA

- Reviewed the National Water Policy and identify gaps
- Reviewed the Water Act and regulations to identify gaps, redundancies, conflicts and inconsistencies
- Proposed areas of amendment in National Water Policy, and Water Act and Regulations
- Proposed strategies for amending the above documents

Uganda

2011 – 2012

TEAM LEADER / LEGAL AND POLICY EXPERT, IGAD

DEVELOPMENT OF REGIONAL ENVIRONMENTAL AND SOCIAL IMPACT ASSESSMENT IN IGAD

- Reviewed EIA systems established in member states, International Organizations and other regional organizations

- Identified international obligations and commitments arising from ratified MEAs and Protocols to implement EIA in the IGAD member countries
- Developed the EIA policy framework to be implemented in the IGAD region

Djibouti

2009

LEGAL EXPERT, BUJAGALI ENERGY LIMITED

BUJAGALI ENVIRONMENTAL AUDIT OF HYDRO POWER PROJECT

- Reviewed the relevant environmental and occupational health and safety legislation of Uganda and requirements of the World Bank and African Development Bank
- Reviewed all relevant in-house documentation pertinent to the project and made recommendations for possible improvements
- Provided recommendations and an action plan for the project activities in relation to findings obtained during the audit

Uganda

2008

LEGAL CONSULTANT, GIZ

HARMONIZATION OF WATER LAWS IN UGANDA

- Identified inconsistencies, redundancies & contradictions of water related policies & laws
- Drafted proposals for harmonization of policies and laws in accordance with the principles and practices of Integrated Water Resources Management (IWRM) and cooperation on shared or transboundary water resources

Uganda

2006

ENVIRONMENTAL / SOCIAL SAFEGUARDS EXPERT, AFRICAN DEVELOPMENT BANK

COUNTRY SYSTEMS AND WORLD BANK / AFRICAN DEVELOPMENT BANK ENVIRONMENTAL AND SOCIAL SAFEGUARDS

- Piloting the use of Ugandan Country Systems to address the Environmental and Social Safeguard Issues under the World Bank and African Development Bank Environmental and Social Safeguards policies
- Reviewed and assessed the degree of equivalency between applicable World Bank/ African Development Bank Safeguard Policies and Borrower's legal framework (national and local laws, regulations, procedures and policies)
- Prepared a gap analysis between Uganda's system and the Banks' policies
- Prepared a record and experience in interpreting and applying the relevant legal framework to projects like administrative and judicial decisions including identifying the number and types of relevant licenses granted under the legal framework
- Proposed actions required to address the gaps in the legal and policy framework to be taken to ensure compliance with the World Bank/ African Development Bank requirements safe policies

Tunisia

2006

TEAM LEADER AND LEGAL EXPERT, UNEP

NATIONAL ENVIRONMENTAL POLICIES, LAWS, MULTINATIONAL ENVIRONMENTAL AGREEMENTS AND THEIR SOCIAL-IMPACT IN UGANDA

- Developed a Synergy, Cost-Benefit and Socio-Impact Analysis on the National Environmental Policies and Laws, Rio MEAs and related MEAs
- Assessed impacts and efficiency of MEAs in poverty alleviation
- Provided the necessary recommendations in implementing MEAs to alleviate poverty

Uganda and Kenya

2006

LEGAL EXPERT, UNEP

IMPLEMENTATION OF BIODIVERSITY CONVENTIONS IN UGANDA AND SEYCHELLES

- Developed International and Regional biodiversity Agreements based modules for Uganda and Seychelles

Kenya

2005

LEGAL EXPERT, USAID

IDENTIFY POLICY AND LEGAL FRAMEWORK AND ITS IMPLICATIONS FOR NATURAL RESOURCE MANAGEMENT AND INVESTMENT IN NATURAL-BASED ENTERPRISE

- Identified policy, legislative and regulatory constraints that influence management of natural resources and investment natural resource-based enterprises
- Made recommendations on how the constraints can be addressed

Uganda

2005

LEGAL CONSULTANT, INTERNATIONAL UNION CONSERVATION OF NATURAL RESOURCES (IUCN)

REVIEW ENVIRONMENTAL POLICIES AND LAWS RELEVANT TO THE MT ELGON ECOSYSTEM MANAGEMENT IN UGANDA AND KENYA

- Reviewed the existing policies that support natural resource management, ecosystem management and sustainable development in Kenya and Uganda and the sub-regional economic groupings that include the Mt Elgon ecosystem (EAC, IGAD, COMESA)
- Identified synergies and gaps and suggested areas for harmonization in reference to ecosystem management and the trans-boundary approach to ecosystems and natural resource management
- Suggested possible regional level institutions requirements for the implementation of existing policies (and proposed additions/modifications)
- Identified incentives for conservation and development of access for livestock to mineral licks, routes across the mountain, access to water and other resources within the protected areas

Uganda and Kenya

2004

LEGAL EXPERT, DFID

REVIEW FRAMEWORK FOR ENVIRONMENTAL GOVERNANCE IN UGANDA

- Reviewed the legal and Institutional framework for environmental governance

- Proposed ways for developing more efficacious system geared towards enabling full and effective participation of all stakeholders in Environment Natural Resources Management

Uganda

2003

LEGAL EXPERT, FAO

FAO NILE BASIN WATER RESOURCES PROJECT

- Strengthened regional co-ordination & increased the capacity by Nile Basin countries to negotiate
- Joint management, equitable sharing & utilization of water resources & environmental protection of the Nile basin
- Reviewed agreements that Uganda has signed relevant to the Nile Basin
- Review laws in Uganda relevant to the Nile Basin
- Participated in a workshop to review national reports in Rome with other experts from the Nile Basin countries

Uganda

2000

LEGAL AND POLICY EXPERT, UNEP

REVIEW LEGAL ASPECTS OF LAKE VICTORIA ENVIRONMENTAL MANAGEMENT

- Reviewed the legal and institutional issues of environmental management, management of the Lake Victoria Basin
- Identified the gaps between the different East African countries and made recommendations for harmonization
- Prepared a report on the legal and institutional forestry framework in Uganda
- Drafted the Forestry and Tree Planting Bill

Kampala, Uganda and Nairobi, Kenya

1996

RESEARCH ASSISTANT, MCPHAIL & ASSOCIATES INC. WATER RESOURCES AND ENVIRONMENTAL CONSULTANTS

REVIEW INTERNATIONAL AGREEMENTS RELEVANT TO THE NILE BASIN

- Complied international river basin agreements
- Complied major cases/disputes on international river basins in Africa, Asia, Europe and North America

Calgary, Canada

SELECTED TRAINING COURSES

2015 – PRESENT

COURSE COORDINATOR / FACILITATOR, GWP

TRAINING ON WATER GOVERNANCE AND INTERNATIONAL WATER LAW IN AFRICA

- Trained Participants on International Water Law essentials
- History, current status and key concepts of international water law
- Substantive norms
- Procedure and Institutional Arrangements
- Dispute Settlement

- The right to water in international law: A Perspective from Africa
- Application of International Water law in Africa: Practice and challenges
- Conducted Treaty negotiation group exercise
- Based on recommendation of the ICJ, groups were asked to develop key procedural provisions of a bilateral treaty relating to notification and consultation, EIAs, stakeholder participation and joint institutional arrangements

Entebbe, Uganda

AUGUST 3 – 5, 2015

COURSE COORDINATOR / FACILITATOR, GWP

A REGIONAL TRAINING ON INTERNATIONAL WATER LAW (IWL) FOR IMPROVED TRANSBOUNDARY WATER MANAGEMENT IN AFRICA

- Substantive norms in international water law: equitable and reasonable utilization, no significant harm and protection of ecosystems

Entebbe, Uganda

JANUARY 13 – 15, 2015

COURSE COORDINATOR / FACILITATOR, IGAD WATER RESOURCES MANAGEMENT AND PLANNING PROJECT

SECOND IGAD INTERNATIONAL COURSE: INTERNATIONAL WATER LAW

- International river basin agreements and commissions: regional approaches in Asia (Mekong River basin), Europe (Rhine & Danube), and Africa (Nile, Senegal, & Zambezi)
- Legal and policy frameworks for regional cooperation: EAC and SAD Regions

School of Law, Makerere University, Uganda

JUNE 25 – 27, 2015

COURSE COORDINATOR, IGAD WATER RESOURCES MANAGEMENT AND PLANNING PROJECT

SECOND IGAD INTERNATIONAL COURSE: INTERNATIONAL WATER LAW

School of Law, Makerere University, Uganda
