E mail: paisley@law.ubc.ca
Cell Phone Number: 604-315-3308

Home Address:

2344 Ottawa Avenue
West Vancouver, British Columbia
Canada V7V 2S9

PROFESSIONAL EXPERIENCE

2007 to date

**Director, Global Transboundary International Waters Governance Initiative and Senior Research Associate, Institute of Asian Research;
Adjunct Professor, Faculty of Law and Associate Faculty, Fisheries Center
University of British Columbia
Vancouver, British Columbia
Canada V6T 1Z1**

Responsibilities and duties included fundraising for, participating in and/or directing large multi-disciplinary applied research projects, publishing scholarly articles and consulting. Academic assignments include supervising graduate students and directing graduate level seminars and courses including: Water Law, International Water Law, Natural Resources Law, International Natural Resources Law, Environmental Conflict Resolution, Negotiations, International Law of the Sea and Integrated Coastal Zone Management. Some representative activities include:

- Presenter and Participant, International Workshop on Mediating Natural Resources Conflicts. At the Center for International Conflict Resolution, School of International and Public Affairs, Columbia University, New York, New York. (2011)
- Director, Third Annual Symposium on Transboundary River Governance in the Face of Uncertainty: The Columbia River Treaty, 2014 and Beyond. Kimberley, British Columbia, Canada. (2011)

- Special Counsel, United Nations Regional Centre for Preventative Diplomacy for Central Asia (UNRCCA) in relation to Central Asia international water, energy and governance issues, Almaty, Kazakhstan. (2010).
- Trainer and Advisor, Lavalin SNC and the Nile Basin Initiative Water Resource Planning and Management Unit in relation to international water, energy and governance issues, Mombassa, Kenya. (2010).
- Terminal Evaluator, IW LEARN 2 Project (United Nations Global Environment Facility (GEF) International Waters Learning Exchange and Resource Network 2 Project), United Nations Environment Programme (UNEP), Nairobi, Kenya. (2009-2010).
- Special Counsel, United Nations Regional Centre for Preventative Diplomacy for Central Asia (UNRCCA) in relation to Central Asia international water, energy and governance issues, Almaty, Kazakhstan. (2009).
- Tutor, International Water and Energy Law, Rivers as Boundaries, International Boundaries Research Unit (IBRU), University of Durham, Durham, England. (2008).
- International Legal Advisor, the Nile Basin Water Resource Planning and Management (WRPM) Unit and the World Bank, including in relation to negotiation and implementation of a basin wide data and information sharing and exchange agreement and a decision support system (DSS) initiative, Addis Ababa, Ethiopia and other Nile River Basin countries. (2007 to 2010).
- Director, Global Transboundary International Waters Project, funded by the United Nations Global Environment Facility (GEF) and the United Nations Development Programme (UNDP), Vancouver, Canada, including directing workshop / seminars in Asia, Africa and the Americas (2007 ongoing).
- Director, Nile River Basin Workshop, in relation to international water and energy law, negotiation, environmental conflict resolution and governance issues, Legal Development Office of FAO (Food and Agricultural Organization) of the United Nations, Nairobi, Kenya. (2007).
- International Legal Advisor, Cowater International and the Canadian International Development Agency (CIDA), Bangladesh Environmental Institutional Strengthening Project (BEISP). (2007 to 2010).
- Instructor, China Summer Institute, Institute of Asian Research, University of British Columbia, Vancouver, Whistler and Shanghai, China. (2007 ongoing).

2000 to 2007

**Director (and Founder), Dr. Andrew R. Thompson Program in Natural Resources and Environmental Law and Policy, Faculty of Law;
Senior Research Associate, Westwater Research Center, Faculty of Graduate Studies and Associate Faculty, Fisheries Center
University of British Columbia
Vancouver, British Columbia
Canada**

Responsibilities and duties included fundraising for large multi-disciplinary applied research projects, participating in and/or directing large multi-disciplinary research projects and publishing scholarly articles. Academic assignments included supervising graduate students and directing graduate level seminars and courses. Some representative activities included:

- International Legal Advisor, Iraqi Marshes Restoration Initiative Workshop, University of Victoria and the Canadian International Development Agency, Amman, Jordan. (2006).
- Distinguished Academic Scholar in Residence, United Nations FAO Rome, regarding international water and energy law, negotiation and environmental conflict resolution issues, Legal Development Office FAO (Food and Agricultural Organization of the United Nations), Rome, Italy. (2006).
- Director, Global Transboundary International Waters Expert Workshop, Phase 1 of the GEF Global Transboundary International Waters Project, in association with the United Nations Global Environment Facility (GEF) and the United Nations Development Programme (UNDP), Vancouver, Canada. (2006).
- Director, Nile River Basin Workshop, regarding international water and energy law, negotiation, environmental conflict resolution and governance issues, Legal Development Office of FAO (Food and Agricultural Organization) of the United Nations, Bujumbura, Burundi. (2006).
- Special Counsel, Attorney General of Washington State, regarding international water and energy law, negotiation and environmental conflict resolution and governance issues involving the Columbia River. (2005).
- Rapporteur and Presenter, UNESCO Task Force meeting on Transboundary International Groundwater, Paris, France. (2005).
- International Legal Advisor, International Bank for Reconstruction and Development (World Bank), on major projects involving international water and energy law, negotiation, environmental conflict and governance issues in Central Asia. (2004 to 2005).
- International Legal Advisor, to the federal Canadian government departments of Foreign Affairs and International Trade and Environment (DFAIT), the

Canadian International Development Agency (CIDA) and Environment Canada, at a major international meeting in Stavanger, Norway to discuss donor cooperation in the realm of international water and energy law, negotiation and environmental conflict resolution and governance issues. (2003).

- Special Counsel, to the North West Territories Territorial Government regarding the negotiation of offshore boundaries and revenue sharing with the federal government. (2003 to 2008).
- Legal Advisor, to Columbia Power Corporation regarding negotiations with the federal government of Canada involving international water and energy law, negotiation and environmental conflict resolution issues. (2002 to 2007).
- Consultant and Legal Advisor, to the Brace Centre for Water Resources Management McGill University, Macdonald Campus and the Scientific Information Centre of the Interstate Commission for Water Coordination of Central Asia (ICWC) regarding international water and energy law, negotiation and environmental conflict resolution issues in connection with the Aral Sea basin. (2001 to 2003).
- International Legal Advisor, Nile River Basin Workshop, to the legal division of the FAO (Food and Agricultural Organization) of the United Nations regarding international water and energy law, negotiation and conflict resolution and governance issues in connection with the Nile River Basin, Cairo, Egypt. (2001).
- International Legal Advisor, to the federal Canadian government departments of Foreign Affairs and International Trade and Environment (DFAIT), the Canadian International Development Agency (CIDA) and Environment Canada, at a major international meeting in Rudesheim, Germany to discuss donor cooperation in the realm of international water and energy law, negotiation and environmental conflict resolution and governance issues. (2001).
- Consultant, to El Colegio de Mexico (Mexico) and the Aquatic Resources Conservation Group (USA) examining environmental challenges facing North American integration including institutional frameworks for coastal zone management, conservation and transboundary water resource management. (2000 ongoing).
- International Legal Advisor, to the Mekong River Commission Secretariat (MRCS), Phnom Penh, Cambodia, and Vientiane, Laos PDR, regarding international water and energy law, international environmental law, negotiations, conflict resolution and governance issues. (1999 to 2003).
- International Legal Advisor, to the Water and Energy Commission Secretariat (WECS) of His Majesty's Government, Kathmandu, Nepal, regarding international water law, international environmental law, negotiations and conflict resolution and governance issues. (1997 to 2003).

1991 to 2000

**Senior Research Associate, Westwater Research Centre, Faculty of Graduate Studies; Adjunct Professor, Faculty of Law and Associate Faculty, Fisheries Center
University of British Columbia
Vancouver, British Columbia
Canada**

Responsibilities and duties included fundraising for large multi-disciplinary applied research projects, participating in and/or directing large multi-disciplinary research projects and publishing scholarly articles. Academic assignments included supervising graduate students and directing graduate level seminars and courses. Some representative activities included:

- Legal Advisor, to the Yukon Territorial Government regarding the manner in which water will be dealt with in the devolution of the Northern Affairs Program from Canada. (2000).
- International Legal Advisor, to a major international law firm regarding a major international maritime boundary dispute. (2000).
- Legal Advisor, to the British Columbia Salmon Farmers Association (BCSFA), Canada, regarding the negotiation and resolution of various contentious disputes involving salmon net pen aquaculture in British Columbia. (1997 to 2001).
- International Legal Advisor, to a major international law firm and their clients regarding implementation of the Columbia River Treaty. (1997).
- Legal Advisor, to the government of Canada (Department of Fisheries and Oceans) regarding the establishment and maintenance of marine protected areas and marine environmental quality. (1995 to 1999).
- International Legal Advisor, to the government of British Columbia regarding the harmonization of international trade and environmental laws. (1996).
- Legal Advisor, to the government of Canada (Departments of Fisheries and Oceans and Environment Canada) regarding strategies and tactics for implementing integrated coastal zone management in a Canadian context. (1996).
- Legal Advisor, to the government of British Columbia at negotiations regarding the Mackenzie River Basin. (1994).

Academic assignments included supervising graduate students and directing graduate level seminars and courses.

1985 to 1991

Lawyer

**Department of Justice
Government of Canada
Vancouver, British Columbia, Canada**

Activities included providing legal and policy advice as well as acting as litigation counsel in the administrative, water, fisheries, refugee, aboriginal and international law areas. Activities also included computer managing documents; conducting pre-trial examinations; acting as counsel in pre-trial motions, preparing and conducting cross examinations; directing legal research; directing the preparation of expert opinion evidence reports; conducting education and training seminars for legal, scientific and technical experts; advising on communications strategies and appearing in court on high profile cases.

Responsibilities and duties also included appearing as counsel before the British Columbia Supreme Court, the British Columbia Court of Appeal, the Federal Court of Canada Trial Division, the Federal Court of Appeal and a wide range of administrative tribunals plus managing the Pacific Regional Office of the legal division of a major federal administrative tribunal.

Major cases worked on included the seminal Nechako River (Attorney General of Canada et. al. v. Alcan Aluminium et. al.) and Kitsilano Point (Mathias et. al. v. Attorney General of Canada et. al.) disputes.

1983 to 1985

**Lawyer
Knott, Pollard & Morgan
Barristers & Solicitors
Vancouver, British Columbia, Canada**

Responsibilities were primarily in the areas of civil litigation and administrative law and included appearing before the Supreme Court of British Columbia, the British Columbia Court of Appeal, the Provincial Court of British Columbia, the Federal Trial Court, the Federal Court of Appeal and a wide range of administrative tribunals.

1982 to 1983

**Articled Law Student
Russell & DuMoulin (now Fasken Martineau LLP)
Barristers & Solicitors
Vancouver, British Columbia, Canada**

Responsibilities were primarily in the civil litigation and administrative law areas.

1980

Legal Extern

Office of the Attorney General

Saipan, Commonwealth of the Northern Mariana Islands, Trust Territory of the Pacific Islands

Responsibilities included providing legal and policy advice regarding the legal, environmental and economic ramifications of a proposed \$500 M. oil trans-shipment superport. Additional responsibilities were in the areas of international law, maritime law, coastal zone management, fisheries law, administrative law and legislative drafting.

1979

Legal Intern

Office of General Counsel

National Oceanic and Atmospheric Administration

Los Angeles, California, U.S.A.

Responsibilities included complex legal research including the application of the Marine Mammal Protection Act, the Magnuson Fisheries Conservation and Management Act, the Coastal Zone Management Act and the Endangered Species Act.

1979 (summer field season)

Assistant Exploration Geologist

Dolmage Campbell & Associates Geological Engineers / BC Hydro

Vancouver, British Columbia, Canada

Responsibilities included geological mapping, drill inspection and reconnaissance work in connection with proposed hydro electric power development projects in the Stikine and Iskut areas of British Columbia.

1977 to 1978

Teaching Assistant

University of Washington

Institute for Marine Studies

Seattle, Washington, U.S.A.

Responsibilities included research and teaching in the areas of resource management and environmental impact assessment.

1975 to 1977 (summer field seasons)

Environmental Researcher

Utah Mines Ltd.

Vancouver, British Columbia, Canada

Responsibilities included oceanographic and biological fieldwork, writing technical reports, managing small projects and conducting environmental impact assessments at the Carbon Creek Coal Project, the Island Copper Mine Project and other locations.

1971 to 1974 (summer field seasons)

Assistant Exploration Geologist

British Newfoundland Exploration, BP Minerals, Amax Exploration and Rio Tinto Canadian Exploration, British Columbia, Canada

Responsibilities included geological exploration and mineral prospecting.

INTERNATIONAL WORK EXPERIENCE

Australia, Bangladesh, Brazil, Burundi, Cambodia, China, Colombia, Costa Rica, Croatia, Egypt, Ethiopia, Italy, Jordan, Kazakhstan, Kenya, Laos, Mexico, Nepal, Northern Mariana Islands, Norway, Rwanda, Singapore, Sudan, Tanzania, Thailand, Uganda, USA, Uzbekistan, Vietnam

SPECIAL ACTIVITIES AND AWARDS

- Honourary Associate, UNESCO Centre for Water Law, Policy and Science, University of Dundee, University of Dundee, Dundee, Scotland (2008 ongoing)
- Academic Scholar in Residence, Legal Development Office FAO (Food and Agricultural Organization of the United Nations), Rome, Italy (July to October 2006)
- Board Member, Canadian Parks and Wilderness Society (2006 ongoing)
- Governor, Canadian International Peace Project (2005 ongoing)
- Adjunct Professor, International Environmental Law, Southwestern University School of Law (Los Angeles) Vancouver Program, Vancouver (2005 to 2007)
- Founding Director, Canadian Water Research Society (2005 ongoing)
- Member, Board of Advisors, Columbia Basin Trust Water Initiatives, British Columbia, Canada (2003 ongoing)

- Advisor, Canadian Government Delegation to the Informal Donor Consultation on Transboundary Water Issues, 06 November 2003, Stavanger, Norway (2003)
- North America Regional Representative (Canada and the USA) – International Association of Water Lawyers (AIDA) (2003 ongoing)
- Graduate, “Creating Common Ground: Negotiation in Peace Keeping Operations” Negotiation Training, Pearson Peacekeeping Centre and the Liu Institute for Global Issues, Vancouver, Canada (2003)
- Advisor, Canadian Government Delegation to the Informal Donor Consultation on Transboundary Water Issues, 19 and 20 March 2001, Jagdeschloss Niederwald, Rudesheim, Germany (2001)
- Final Round Judge, Niagara International Moot Court Competition, Detroit College of Law at Michigan State University, Lansing, Michigan (2000)
- Board Member, TD Canada Trust Friends of the Environment Foundation (1999 to 2004)
- Fellow, Cohort 6, Leadership for Environment and Development (**LEAD**) International Training Program (1997 to 1999)
- Final Round Presiding Judge and Co-Author of Problem, Niagara International Moot Court Competition, Case Western Reserve University School of Law, Cleveland, Ohio (1996)

- Instructor, National and International Natural Resources Law and Policy. At CIDA Environmental Seminars for Chinese Scientific and Technical Experts, Vancouver, (1995)
- Director, MLSS Marine Life Sanctuaries Society (1995 to 2010)
- Instructor, Annual Seminar on Environment Management: Theory and Skills. At Korea Water Resources Corporation Special Seminar, School of Resource and Environmental Management, Simon Fraser University, Vancouver (1994 to 1996)

- Advisor, British Columbia Commission on Resources and Environment (CORE) Strategy Planning Team (1993 to 1997)
- West Coast Organizer, United Nations International Oceans Day (1993 to 2000)
- Featured Contributor to the Weather Channel Television “State of the Environment” reports (1992 to 1999)
- Instructor and Group Leader, Natural Resources Law and Policy, Post Baccalaureate Program in Environmental Studies, Capilano College, North Vancouver, British Columbia (1993 to 1999)
- Associate Faculty, Fisheries Centre, University of British Columbia, Vancouver, Canada (1991 ongoing)
- Adjunct Faculty, Institute for Resources Environment and Sustainability and the Westwater Research Center, Faculty of Graduate Studies, University of British Columbia, Vancouver, Canada (1991 to 2008)
- Instructor, Environmental Law, Orientation Seminar on Canada for ASEAN Journalists, Asia Pacific Foundation Media Fellowship Program, Vancouver (1991)
- Canadian Delegate, International Conference on the Conservation and Management of the Living Resources of the High Seas, St. John’s, Newfoundland (1990)
- Deputy Minister’s Silver Commendation Award for Outstanding Contributions to the Public Service, Department of Fisheries and Oceans Canada (1987)
- Adjunct Professor, Faculty of Law, UBC, Vancouver, Canada (1985 ongoing)
- Western Regional Finalist, Jessup International Moot Court Competition, Newport Beach, California (1980)
- Scholarship Awardee, Pepperdine University School of Law, Malibu, California (1978, 1979 and 1980)
- Scholarship Awardee, University of Washington / National Oceanic and Atmospheric Administration, Seattle, Washington (1977)

EDUCATION

LL.M. 1982	London School of Economics London, England
J.D. 1981	Pepperdine University School of Law Malibu, California, U.S.A.
M.Sc. 1978	Institute for Marine Studies University of Washington, Seattle, Washington, U.S.A.
B.Sc. 1975	University of British Columbia Vancouver, British Columbia, Canada

PROFESSIONAL MEMBERSHIPS

American Society of International Law (since 1978)
Law Society of British Columbia (since 1983)
Canadian Council International Law (since 1983)
British Columbia Inns of Court (since 1985)
International Association Water Lawyers (AIDA) (since 2001)

SELECTED RESEARCH PROJECTS

- Global Transboundary International Waters Project funded by the Global Environment Facility (GEF World Bank Group) and the United Nations Development Programme (UNDP) with UBC IAR and El Colegio de Mexico (2008 ongoing)
- Issues and Driving Forces in the Columbia River Basin funded by the Columbia Basin Trust (2008)
- International Water Law, Transboundary Water Resources Management, Negotiation, Conflict Resolution and Development Aid Effectiveness Applied Research Project, funded by the Canada Department of Foreign Affairs and International Trade (DFAIT), the Canadian International Development Agency (CIDA) and Environment Canada (2003).
- International Water Law, Transboundary Water Resources Management, Negotiation and Conflict Resolution Research Applied Research Project, funded by UBC Faculty of Law (2002 to 2003).

- Strategic Planning for Marine Protected Areas Applied Research Project, funded by San Juan County, Washington (2002 to 2003).
- Environmental Challenges Facing North American Integration: Institutional Frameworks for Coastal Zone Management, Conservation and Transboundary Resource Management Applied Research Project, funded by the Inter-Institutional Research Program for North America, El Colegio de Mexico and the Aquatic Resources Conservation Group, Seattle, Washington (2000 to 2003).
- A Smart Growth Tourism Initiative in the Georgia Basin / Puget Sound Applied Research Project, funded by the Oceans Blue Foundation (1999).
- Strategies for the Regulation of Ecosystem Health Research Project, funded by the Department of Fisheries and Oceans Canada (1998 to 99).
- Strategies for Negotiating International Water Law Agreements and Facilitating Conflict Resolution with Regard to Himalayan Water Resources Research Project, funded by Canadian International Water & Energy Consultants (CIWEC) and the Canadian International Development Agency (CIDA) (1997 to 2007).
- Further Evaluating the Feasibility of Strengthening Government Processes through Education and Training of British Columbia Environmental Professionals Research Project, funded by the Department of Fisheries and Oceans Canada (1997).
- Potential Constraints on the Definition and Regulation of Environmental Quality pursuant to the Canada Oceans Act Research Project, funded by the Department of Fisheries and Oceans Canada (1997 to 1998).
- Evaluating the Response of the Department of Fisheries and Oceans Canada to the Fraser River Sockeye Public Review Board Research Project, with EB Experts Inc., funded by the Department of Fisheries and Oceans Canada (1996).
- Strategies for Establishing and Maintaining a Marine Protected Area at William Head, British Columbia, Research Project funded by WWF Canada (1996).
- Evaluating the Feasibility of Certifying or Licensing British Columbia Environmental Professionals Research Project, funded by the Department of Fisheries and Oceans Canada (1996).

- A Literature Review and Analysis of International Coastal Zone Management Models Research Project, with Meltzer Research and Consulting, funded by the Department of Fisheries and Oceans Canada, (1996).
- Strategies for Establishing and Maintaining International Oceans Day on the West Coast Applied Research Project, funded by the Canadian International Development Research Centre (IDRC) (1995).
- Identifying West Coast Strategies for a Canadian Marine Conservation Programme Applied Research Project, funded by the Canadian Arctic Resources Committee and the Canadian Nature Federation (1994).
- International Trade Law, the Environment, Sustainability and the British Columbia Fishing Industry Applied Research Project, funded by the British Columbia Fish Processing Task Force, Province of British Columbia (1994).
- Strategies for Managing Rivers (and Recreation Routes) in British Columbia Research Project, funded by the Law Foundation of British Columbia and the British Columbia Real Estate Foundation (1993).
- Strategies for Establishing and Maintaining Marine Protected Areas in British Columbia Research Project funded by the Law Foundation of British Columbia (1992).
- Fisheries Co-Management Strategies Between Government and First Nations Applied Research Project, funded by the Department of Fisheries and Oceans Canada (1992).
